Please note that club length is very short so you will need to be prompt so we can do as much as possible!

Hockey: unfortunately due to restrictions regarding equipment, we do not have many spare hockey sticks available to lend out. Therefore it is preferable if you already have a stick, that you bring this to the club. If you do not have a stick, this does not mean you cannot participate. Please let a member of staff know so that we can cater for you.

Sign up:

- You will need to sign up to the club each week.
- Each week, comment under the club that you would like to attend for that week.
- You can only sign up yourself - please do not sign up friends.
- If you do not get a space at a club one week, comment underneath still. You will be placed on the list for the next week automatically (or next session for year 7 netball).
