

TWGGGS Sixth Form Dress Code

The aim of the Sixth Form dress code is to ensure that pupils project a personally distinctive, yet smart and work ready image. One that is reflective of their attitude to learning and respect for our school community and their position as role models to our younger pupils.

Pupils not adhering to the dress code will have:

1. First warning from their form tutor who will log it on the 6th Form Dress Code Google Sheet as a sanction mark.
2. If a second warning is needed from their form tutor at morning registration they will be sent to Mrs Hutchinson in the Ground Floor Sixth Form Office to collect suitable alternative clothing for the day and have a second sanction mark on the Google Sheet.
3. If a third warning about dress occurs then they will be sent to Mrs Hutchinson in the Ground Floor Sixth Form Office to collect suitable alternative clothing for the day and have a third sanction mark on the Google Sheet which will result in an after school detention with Miss Smith or Mrs Davis.

Please note that Miss Smith and Mrs Davis, along with SLT, will make the final decision on appropriate dress. In the spirit of getting along and reducing the need for confrontation over dress we ask pupils to ensure that this never becomes an issue. Pupils, parents and guardians should raise any issues about the dress code with the Sixth Form Team and any requests to vary the code for particular short term reasons (for instance for medical needs) will be carefully considered.
