

Dark Mercy

Idea of my play

Nik and Tilly are troublemakers and comedians. They are a nuisance wherever they go. They have millions of detentions at school and have a bad reputation for pulling pranks on teachers. Even though all the students find them hilarious, the teachers think they are irresponsible. One day Tilly and Nik decide to take their irritating scheme to the next level. They made a plan to rob a bank. They knew this was against the law and was going to be the worst type of crime they've ever done, but they were going to go through with it. They had a get-away-driver and all the tools and things they needed. Everything was planned out for them, they just needed to make it happen. And when they get to the bank. They find out, it is closed!!

Miss Newman: Miss Newman is the arch enemy of Tilly and Nik, she is an old woman who swears to catch the two troublemakers out one day.

Opportunity

This opportunity would mean so much to me. When I'm older I'd love to be a film director, it is a great career that suits me a lot. I would love to make the audience laugh and have many different expressions on their faces. I think I have many great ideas for films and plays in the future, I have already written a book that I would love to try and publish after lockdown. I think an experience like this would help to build my confidence a lot and I would enjoy it so much.
