

# My Time Capsule...

An old school planner to remember what school was like online at home.

a copy of the letter from the government to remember the guidelines we had to follow.

Soap To remember how cautious we have to be when washing our hands.

A mask to show how safe and protected we had to stay in public

a phone to remember that we could only see our family and friends through a phone for a while.

A ruler (not 2m) to remember the cautions we had to stick to when seeing friends or family

A birthday present to remember how many birthdays were celebrated in lockdown.

An NHS logo to show support towards their hard work

The classroom logo I used for school everyday.
