

The timetable illustrates trips that we hope to run during the academic year 2019 – 2020. They may have been repeated or newly planned. Please note that the school reserves the right to cancel or change dates of trips where the school calendar demands. Please note that the cost quoted for a trip is variable and approximate. All Drama trips are subject to availability and suitability except for the GCSE matinee trip in April/May.

Other subject related trips may be scheduled on a more informal basis, as and when opportunities arise. For example:

- The Mathematics Department will be running a 'Maths Fun Day' for the whole of Year 7 in June 2020

Speakers from a variety of different organisations and industries may also be scheduled to perform or give presentations to pupils, and there may be a small charge made for these events. For example:

- Visitors from the Design Industry come to talk to Sixth Form Design Technology pupils
- Other professionals from a variety of career paths are invited to visit and give talks to interested pupils - e.g. Journalists, Veterinarians, Doctors, Lawyers etc. - cost free
- The Languages Department invite a theatre group to perform in school a German, French and Spanish play for the whole of Year 8 and 9 - cost £3 each

A variety of different organisations come to deliver PSHE topics to every year group and the cost, if there is any, is budgeted for by the school. A few examples:

- The Samaritans
- Alcoholics Anonymous
- Kent Fire Service
- Work Experience
- Money Management
- Local Political Party Candidates
- Sex Education
- University
