Bold blue and italic – Assessment to be taken in the Hall (some pupils to leave their usual lesson).

Black – Assessment to be taken in your usual lesson in your usual classroom.

We will be instigating a 'green room' system before each assessment.

Pupils who wish to use this facility should go to the U6 Common Room at the allotted time for a staffed, quiet space immediately preceding each assessment.

All assessments to be a maximum of 1 hour. You will have no more than two assessments on each day, one in the morning, and one in the afternoon. There are no clashes.

Any pupils entitled to extra time or other access arrangements will take their assessments in the Hall, organised by Mrs Barker.
